An Introduction to Evershine's Global Service Ecosystem

The Core Competence: Global Collaboration

Our Vision: The Pasture and the Flocks

Good Business Model

- Focuses on generating sustainable Recurring Income.
- Provides a secure environment where colleagues feel protected.
- Delivers high-quality services ensuring a >90% client retention rate each year.

Talented People

- Colleagues are the center of all stakeholders' interests.
- Enables individuals to customize their career planning.
- Empowers teams to discover and fully utilize their unique, individual gifts.

Good Business Model + Talented People = Tens of thousands of employees utilizing their gifts in Evershine's pasture.

Fellowship Culture: Achieving International Excellence

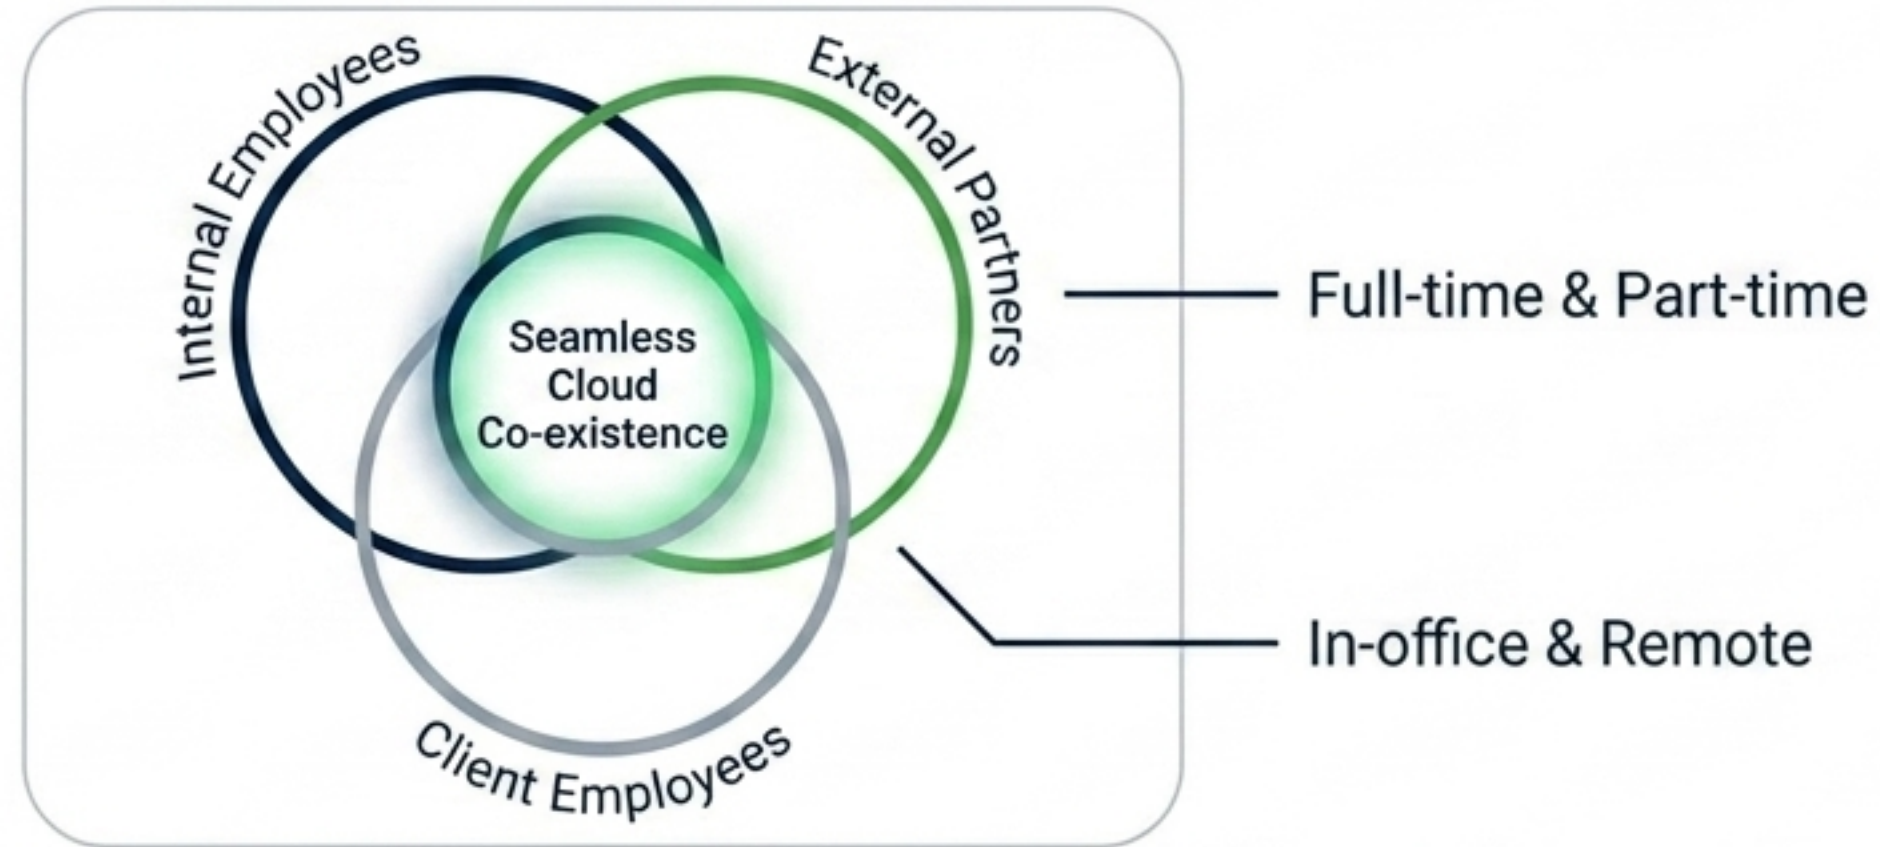

Peter Drucker's Philosophy

Prioritize integration over reliance on solitary geniuses. Through close fellowship and cooperation, overall team productivity increases fivefold.

Dale Carnegie's Method

Practice considerate communication. Share first-hand information rapidly via Cloud BPM, focusing on systematic solutions rather than seeking individual blame for errors.

Philosophy of Playful Growth & Borderless Operations

Explore happily, move forward cautiously. Normal business needs do not require forced overtime. We do not deliberately push forward, nor deliberately hold back.

Our Goal: Big and Strong

Scale: To be BIG

100

Major Cities Globally

Providing specialized compliance, accounting, tax, and payroll services across a massive global footprint.

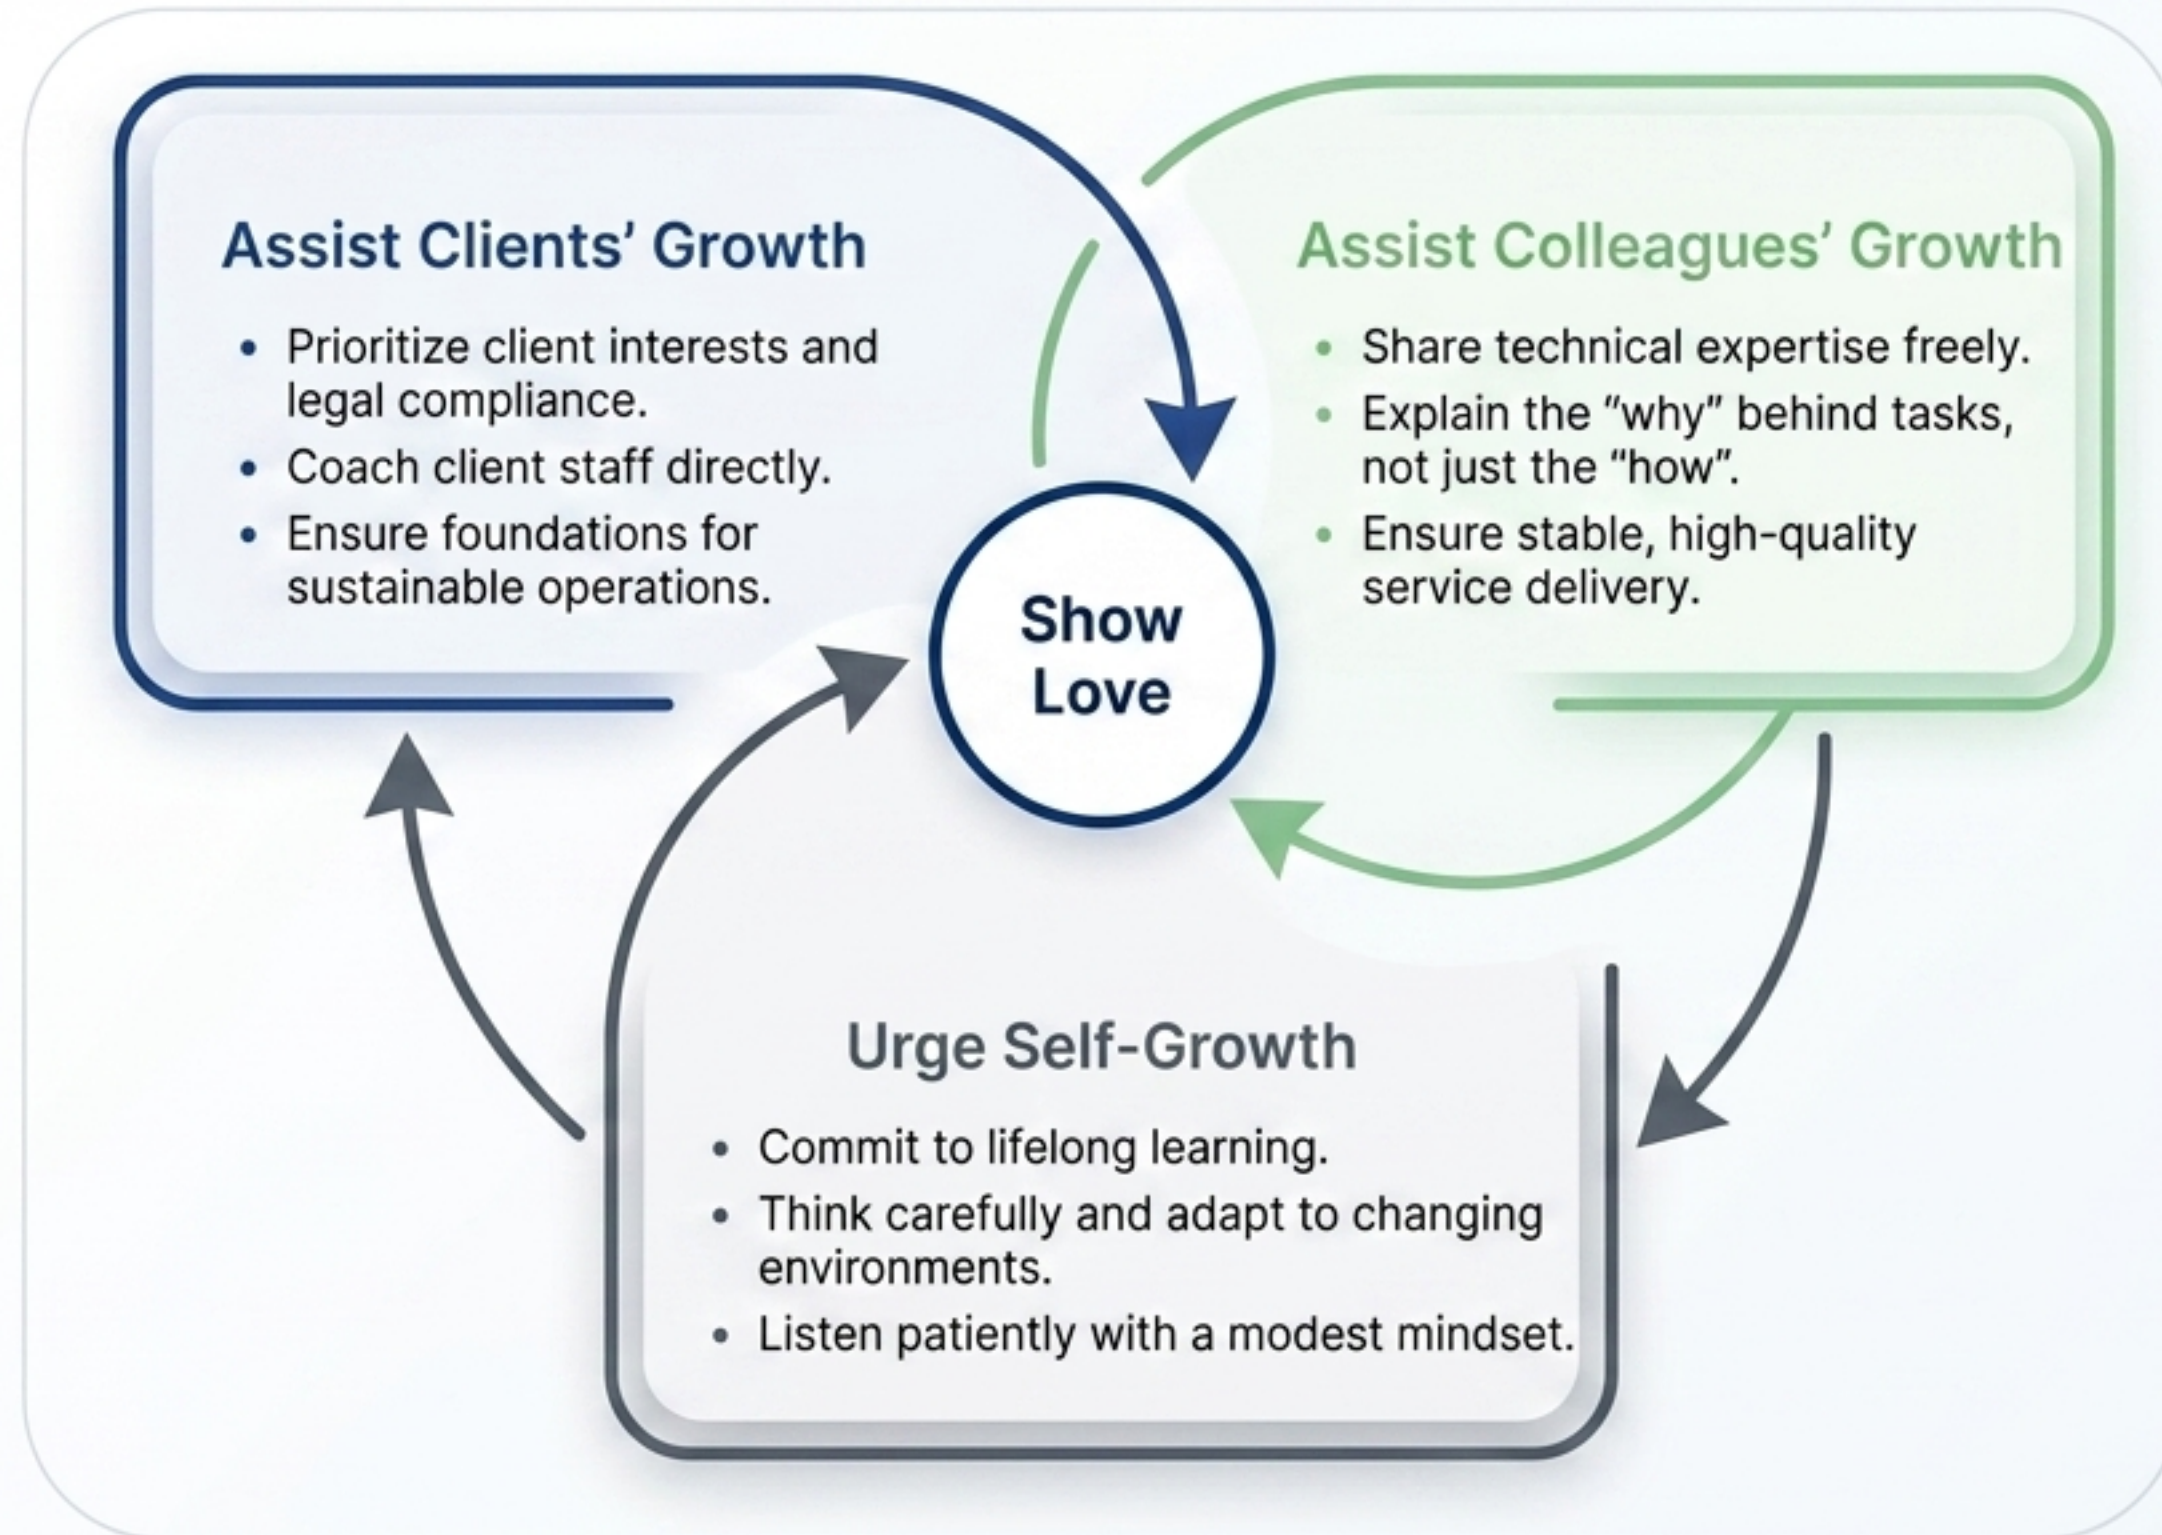

Value: To be STRONG

US\$ 120,000

**Annual Value-Added
Target Per Person**

Calculated as revenue minus payments to partners, demonstrating a highly efficient, premium operation.
